

# Top Executive Lean Awareness Workshop

It is scheduled on **25th February 2014 (Tue.)** the **Kart Factory 1-day Workshop** that JMAC Europe and Sumisho Global Logistics will be holding in Plzen (Czech Republic) about **continuous improvement, lean leadership and resource management**.

The training session is hosted by **Sumisho Global Logistics Europe GmbH** at their location:  
CTPark Plzeň BP5a, Podnikatelska ul. 43, **Plzen (Czech Rep.)**.

**A unique opportunity of practical training for top managers**, appreciated by dozens of top managers now enthusiastic of their experience.

Here are a few further details:

**Duration:** 1 full day - from 9:00 a.m. to 5:30 p.m.

**Language:** English

## **Contents:**

- learn how to set-up an effective continuous improvement path,
- see through the lean leadership and
- understand how to manage people behaviors.

The workshop is **open to:**

- Managing Directors,
- COOs
- Operations VPs,
- Supply Chain Managers

Participants are welcome from any industry /sector.

Among the trainers **Mr Fabio SALOMONE - COO of JMAC Europe**, who has recently held a seminar in Prague about the Lean Management Implementation at Western Companies.

A buffet lunch and coffee break service are included.

The training materials will be available in print and digital file format.
